SEND Local Offer Live!

We held our second SEND Local Offer Live on 23rd June at Inspire Centre, Calderdale College.

There were **over 35 services** and lots of visitors throughout the day. Your feedback has been great and it's lovely to hear how many of you got so much from talking to services.

Keep an eye out on our [Facebook page](#) and the [Local Offer](#) for photos and videos from the day.

Disability Pride professionals event

Wednesday 15th July from 12pm to 3pm at the Orange Box. Scheduled Programme starts at 1pm.

Taking place every July, Disability Pride month is an important moment for disabled people to come together as a community.

It is an opportunity to share experiences and start conversations.

This is a unique opportunity to learn from people with lived experience.

We promise a safe space for open discussions.

Book your place [here](#).

Survey's

We have created a survey for families who have recently gone through the EHC Needs Assessment process and there will be one for families who have gone through the EHCP Annual Review process. The survey asks about your experience as a parent carer and helps us to improve the process. The survey will be sent out with the EHCP.

Educational Psychology

Please [read the communication](#) from Psychology Direct about remote assessments for EHC Needs Assessments.

Coming soon...

Over the summer we'll be updating several things on the Local Offer with the aim of families and professionals being better informed about what's available to them

- SEND & Inclusion Training Offer
- Events/things to do
- Alternative Provision

Keep an eye out and we'll let you know when they go live!

July 2026

Disability Pride

Young People's Disability Pride is back!
Tuesday 21st July, from 1pm to 3pm at Orange Box.

Young people aged 11 - 25 are invited to come to Orange Box Young People's Centre, get involved and have fun whilst celebrating disability. Spread the word and bring your friends!

They'll be a series of awesome interactive activities and workshops such as biscuit decorating, arts & crafts and adaptable sports activities which any young people can get involved in.

Click [here](#) for more information.

Play Development Services

The Play Development Service have a variety of events happening over the summer holidays which children and young people 5-14 can attend. **NEW additional sessions** added for 10-16 year olds!

Children and young people with specialist educational needs and disabilities need to book on so they can discuss their needs.

Check out the **events** section of the Local Offer.
